Notes from the boss.....

EVERY New Year brings new dreams and new ambitions and, from my point of view, I would like to think a luckier run on the injury front.

It is no exaggeration to say that we have had more than our share of injury problems over the last two or three seasons. We've had at least one long-term casualty every year, starting with Peter Bell, who was such a promising young player, Jeff Chandler last season and then Mark Came.

I am sure I speak for everyone connected with the club in wishing Mark a speedy return to football in 1989. Because no detriment to anyone else, but Mark Came was one of the last players we could afford to lose so early in the season.

Another was John Thomas, whose knee injury has kept him out of action for more than 10 weeks. I'd like to feel that he will be back to his best as quickly as possible because we have missed him an awful lot.

On the general team front I'll be

looking for an improvement in the consistency I feel we have been lacking at times this season. Because of the injury problems we have had, we have been forced to rely a lot on younger players for longer spells than we would have liked. One of our biggest problems so far has been that we have not had enough players who are prepared to accept their responsibilities. Youngsters find it difficult at times but they have got to accept the responsibility that comes with regular first team football. They have played enough games now to understand that.

In offering you all the best wishes and compliments of the season from all of us here at Burnden Park, I would like to extend an especially warm welcome to Ian Greaves and his players. Ian needs no introduction to Bolton supporters. I have always found him a smashing character to get on with but I am sure he will forgive me when I say that I'm hoping he leaves Burnden Park empty handed on this occasion.

MANSFIELD TOWN

After an encouraging start to the season, Ian Greaves has seen his side draw too many matches and this has so far resulted in a mid table position.

Good home wins against Bristol Rovers (2-1), Fulham (3-1) and Gillingham (2-1) have so far given them until the Christmas period an unbeaten home record.

On the away front they have had good wins at Bury (1-0) and Chesterfield (3-1) while recently suffering a heavy defeat at Wolves (2-6) after taking an early lead.

Last season in the Third Division they finished in 19th position, having been in the lower reaches of the division nearly all season. They had a good run in the F.A. Cup reaching the fourth round before going out to eventual winners Wimbledon (1-2) in front of over 10,000 fans.

PEN PICTURES

MIKE GRAHAM (Defender): Began his career with Bolton Wanderers when Ian Greaves was manager at the Lancashire club. Spent six years at Burnden Park before moving on to Swindon Town where he spent four years. A stylish player equally at home at full back or centre half. Has missed only one game in the past two seasons.

TONY LOWERY (Midfield): Signed from West Bromwich Albion in July 1983 and quickly established himself as a regular first-team player in a hard working midfield role. Has totaled 223 senior appearances

for Mansfield including 179 in the League.

BRIAN COX (Goalkeeper): Beasley's main challenger for the senior place. Signed from Huddersfield Town during the close season for a £25,000 fee. Began his career with Sheffield Wednesday where he made a number of senior appearances. Made over 200 first team appearances with Huddersfield.

TONY KENWORTH (Defender): A very experienced player who was also a regular first team player with Sheffield United with whom he spent 10 years. Had a two month on loan period with Mansfield before joining the club two seasons ago.

KEVIN KENT (Midfield/Striker): A Birmingham born 23 year old who earned a place in Mansfield's history books by scoring in their successful Freight Rover Trophy final in 1987 at Wembley. Player of the Year last season after scoring 15 goals. Scored vital goals in the Stags promotion season. Began his career with West Bromwich Albion, then a season with Newport County before joining the Stags.

KEITH CASSELLS (Striker): Joined Watford from non-league Wembley. Moved on to Oxford United and then to Southampton for £100,000. A move to Brentford followed for a £25,000 fee. He was top scorer at Griffin Park before continuing his travels as he signed for Mansfield three seasons ago. Extremely popular with the fans and a previous Player

Burnden Visitors

of the Year. Scored 15 goals last season.

STEVE CHARLES (Midfield): Another player with Sheffield United associations. He moved onto Wrexham where he captained the side before joining the Stags before the start of last season. Top scorer with 16 goals last season.

SIMON COLEMAN (Defender): A product of Mansfield's youth policy, and established himself as a regular first team player last season in which he made 57 appearances although only 19 years of age. Already attracting the attentions of senior clubs and a successful future is predicted for the youngster.

IAN STRINGFELLOW (Striker): Much is expected of this 19 year old, who was dogged by injuries last season, but still

managed 11 goals in 34 games. A nephew of former Mansfield favourite Mike Stringfellow who moved on to spend a number of successful seasons with Leicester City in the late 50's and early 60's.

CRAIG McKERNON (Midfield/Striker): Another product of the Field Mill youth policy who made a number of senior appearances last term. Expected to go far in the profession. Hails from the Gloucester area.

JOHN RYAN (Defender/Midfield): Signed last season for £15,000 after a period on loan from Oldham Athletic where he began his career. A six figure fee took him to Newcastle United, but he failed to settle in the North East and returned to Oldham. An England Under-21 cap.

Back Row left to right: Mark Place, Nicky Andersen, Simon Coleman, Jason Pearcey, Andy Beasley, Brian Cox, Mark Kearney, Tony Kenworthy, David Hodges.

Second Row: Steve Williams, Paul Garner, Steve Chambers, Dennis Pettit (Physio), Bill Dearden (1st Team Coach), Ian Greaves (Manager), John Jerman (Ass. Manager), Steve Charles, Keith Cassella, Paul Brogan.

Third Row: Gareth Price, Mike Graham, Tony Lowery, George Foster (Captain), Kevin Kent, Gordon Owen, Ian Stringfellow, John Ryan, Craig McKernon.

Front Row: Gary Bircumshaw, Tony Clarke, Justin Elkington, Kevin Gray, Sean Hood, Ricky Ellerton, Shane Reddish, Jason Milner, David Parker.

MATCH REPORT

The Bury 'hoodo' strikes again, this time in the last minute in the Freight Rover Group Qualifier at Gigg Lane. But the 1-0 scoreline wasn't enough to stop Bolton progressing further in the competition and it's now another visit to Deepdale to take on Preston on the astro-turf surface.

Having already beaten North End earlier in the competition, manager Phil Neal will go expecting to do likewise again and is quoted as having no fears of playing on the 'astro' surface.

But uppermost in Phil's mind will have been to do well over the festive period.

Taking stock around Division Three, Wolves, Port Vale, Sheffield United and Swansea hold top four positions as we approach half way stage in the season.

Wolves lost their opening game in the season in a morning kick-off at Bury but since then got their act together and results have regularly attracted over 10,000 fans through the turnstiles at Molyneux. Port Vale have been a force from the first whistle and along the road have had two fine games against Bolton. At Vale Park in October it took a breakaway goal in 'overtime' to decide the issue in Vale's favour. Then last month they showed grit in the F.A. Cup at Burnden to claw themselves back into the game and run out 2-1 winners.

Sheffield United came to Burnden in September in confident mood as leaders but finished second raters to a Bolton side who on the day turned in a sterling performance in a fine victory. In Swansea, we have a side here who have come up

unnoticed and despite having drawn on four occasions at home found themselves in the top four on the run in to Christmas. It shows how open this Division is at the moment and the eventual promotion candidates will be the teams who show consolidation in 1989, but the Division is up for grabs.

Notts. County were strongly fancied to improve on last season's form but have failed to impress in the first half of the season and currently find themselves in the relegation area. To add to their misery they have been managerless over recent games, but once an appointment is made - and former Wanderer Sam Allardyce has been linked with the post - expect a marked improvement.

Neighbours Wigan will be looking to better fortunes in 1989, having experienced all sorts of problems on the field and off.

Chesterfield have occupied bottom position for most of the season and judging by their league visit to Burnden in November they looked doomed, but in the short period of three weeks they had appointed Paul Hart as manager and on their return to Burnden for the F.A. Cup 1st Round tie, looked a different team completely, earning a replay at Saltergate, with Bolton running out eventual winners.

To a certain extent Phil Neal has been hampered by injuries to key players and surely he will be looking to a more prosperous year - starting today.

BEHIND THE SCENES

THE NINETY-TWO CLUB

Founded June 1978

Current Membership Worldwide 581

39 Townsend Square, Iffley, Oxford.

Dear Sir,

I am writing on behalf of "The Ninety-Two Club" a self-financing organization open to all football supporters who have attended games on all League Grounds. We were formed with a membership of just 39 in June 1973, but due to the necessary qualifying conditions our membership can only ever grow at less than 80 each season.

We have recently undertaken research into the clubs supported by our members and have found that we only have a few members at several League clubs. At present there are just 3 who support Bolton Wanderers, whereas we have 17 Members who support Oxford United.

We wondered if you would be kind enough to consider including the following short item in a future programme:-

"The Ninety-Two Club . . . A Club for the fan who has done the lot"

Founded in June 1978 with just 39 members, for those football fans who had visited all 92 League grounds for the first team soccer matches, membership is now approaching 600. The aim of the club is to provide formal recognition of this special achievement and bring all known qualifiers together.

At present there are just THREE Bolton Wanderers supporters as members, they are:-

Michael Unsworth of Tyldesley qualified 20.10.79.

Simon Marland of Bolton qualified 3. 5.82.

David Fairhurst of Wigan qualified 15. 5.82.

If any other supporter has equalled this achievement, full details of membership can be obtained by sending a stamped addressed envelope to:-

The Ninety Two Club (Ref AJ),
104 Gilda Crescent, Whitchurch,
BRISTOL BS14 9LD.

We do hope you can help us with our efforts in promoting genuine football supporting

Yours sincerely

PEN PAL PLEASE!

'ST. EDWARD' TRIQ TAL - GEBEL
BIRZEBBAGIA

MALTA

13th December, 1988.

Dear Sir,

I'm a great follower of English Football. Besides watching every match possible on the local television channel, I love to spend hours reading about the game's history and also researching for old material about various League clubs.

And this is the reason why I'm writing this letter. I would very much appreciate if you would kindly help me find a person, who have followed your club for a very long time, to start corresponding with me. I'm writing to you and not making a plea in a common football magazine because I would like to find a very mature person who would be able to send me material which I have yet to read or know about. Preferably I would like a person who keeps records and all the very useful statistics.

Can you help me, please? While begging you to forgive me if I took too much of your valuable time, I send my regards and advance thanks for your co-operation,
Thank you very much.

Yours sincerely,
MARIO SANT.

DAYS GONE BY

5 YEARS AGO: 2nd January, 1984.

The Wanderers bounced back from a 5-0 defeat at Sheffield United by starting the New Year on a winning note against Millwall at Burnden. Bolton looked more suited to the heavy conditions and their win left the Londoners still looking for their first away win of the season. After an early scare in which Ray Deakin had to clear off his own goal line the Wanderers took command. In the 22nd minute Millwall keeper Paul Sansome fumbled a Jeff Chandler free kick and Simon Rudge scrambled the ball home. Warren Joyce netted the second goal after Wayne Foster's shot had been blocked by Sansome.

10 YEARS AGO: 1st January, 1979.

Bolton's game with Everton at Burnden was abandoned at half time due to heavy snow with the score 1-1. Frank Worthington had put the Wanderers in front with his 18th goal of the season but Trevor Ross equalized when Andy King put him clear. Peter Reid was injured in a collision with keeper George Wood that kept him out for the remainder of the season.

15 YEARS AGO: 1st January, 1974.

It needed a courageous display from Hull keeper Jeff Wealands to deny Bolton a victory at Boothferry Park. In the 70th minute a brilliant build up between Roy Greaves and Neil Whatmore presented John Byrom with a clear shot at goal from 15 yards. The Bolton striker hit his shot powerfully but Wealands acrobatically parried the ball away for a corner. This was just one of a number of saves from Wealands that kept the Wanderers at bay.

100 YEARS AGO: 1st January, 1889.

The Wanderers romped into a four goal half time lead against Cambuslang at Pikes Lane. The Scots however hit back and only went down 4-3.

2nd January, 1889.

Bolton's game with Glasgow Rangers at Pikes Lane was abandoned after half an hour due to fog. Jim Brogan gave the Wanderers the lead after only 30 seconds but Rangers equalized soon after before the early finish.

HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zetters and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Toxteth; refurbishment at Wembley to repairs at Welling; closed circuit television at all League clubs to community facilities at Oldham Athletic; transport improvements at Sheffield Wednesday to storm damage in the South East of England; from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

CLOSED CIRCUIT TELEVISION

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.

RESERVE AND YOUTH NEWS

14th December, 1988.

Scunthorpe United . . . 1 v Bolton Wanderers . . . 4

The Wanderers kept up their unbeaten sequence which was extended to 12 games with a well deserved win at Scunthorpe.

It was the first visit by the Wanderers to the new stadium at Glanford Park which boasts one of the best playing surfaces in the country along with first class facilities.

Despite having most of the possession it wasn't until five minutes from half time that Bolton took a deserved lead thanks to a powerful left foot strike from **Stuart Storer**.

United however had their moments and Gareth Gray had to be at his best to prevent Ian Richardson hitting the equalizer seconds from the interval.

Bolton went two up eight minutes into the second half with Gary Henshaw completing a move that began just outside their own penalty area.

The home side had no answer to Bolton's first time accurate passing and indeed in one period the Wanderers put together a run of thirty passes before an opponent touched the ball.

Phil Neal, who scored in this fixture last season, again got onto the scoresheet when he left two defenders in his wake before blasting home the third goal in the 64th minute.

Stuart Storer

Mike Jeffrey had a penalty appeal turned down soon after and then hit the stanchion with a first time shot but United reduced the arrears in the 75th minute when Boagey capitalized on a slip by Gareth Gray.

Ten minutes from time Storer rattled home the Wanderers fourth goal when he latched onto a mishit clearance to slip the ball into the net from an acute angle.

Hull City now head the division by one point having played the same number of games as the Wanderers who are second.

TEAM: Gray, Brown, Neal, Spooner, Jackson, Crombie, Chandler, Henshaw, Jeffrey, Storer, Barnes. **Subs:** McKearney for Jeffrey, Callaghan for Barnes.

SAFE HANS

Another New Year has arrived and with it let us just wish everybody a Happy and Prosperous one. Just surviving Christmas and New Year these days is a feat in itself with all the parties you are expected to attend and all the hangovers you have to get rid of.

It's okay for the footballer, with so many games to play over the holiday period he gets excused from having a drink, eating too much turkey and having too many late nights. Instead he has to sit through the Queen's Speech and play with the kids while as sober as a judge.

Today being the 2nd, there should be no excuse of feeling under the weather and instead we should be hearing plenty of vocal support as we try to start the New Year off with a victory. It is not going to be easy because any side managed by Ian Greaves are always a tough nut to crack, especially away from home.

Looking back through 1988, it certainly had its highs with promotion at Wrexham

and the return to Division 3 and then the promising start to the season with exciting wins against Fulham and Sheffield United. If 1989 can also see progress of that nature then everyone down here at Burnden will be satisfied.

It is customary to start off the New Year with a few Resolutions, here are just a few that might apply:

Bobby Robson - for England to win a match.

Alex Ferguson of Man. Utd. - To stop watching the 'Equalizer' on T.V.

Steve Bull of Wolves - Please don't score against us in March.

Frank Bruno - To finally get a fight.

Eggwina Currie - To stop yoking about eggs.

Mike Gattin - To be a devil and take his holidays in Pakistan.

I.T.V. - To show 'Prisoner Cell Block H' on T.V. for seven nights a week.

Disc Jockeys everywhere - To ban all records made by anybody out of 'Neighbours'.

Wigan Athletic Supporters - Cut down to only two pies a day.

RECOLLECTIONS

It is almost two years to the day since Mansfield made their last visit to Burnden when they recorded their only league victory in three visits.

Their winner came in the 49th minute from Keith Cassells and left the Wanderers just one point away from the relegation zone after four consecutive defeats.

Earlier in the season, during November 1986, Bolton took a point from Field Mill in an exciting 2-2 draw. Former Wanderer Neil Whatmore set up Paul Garner to give Mansfield a 21st minute lead but Bolton hit back to take the lead with second half goals from Tony Caldwell and Warren Joyce. Two minutes from time Tony Lowery hit home a shot from the edge of the penalty area to deny Bolton victory.

The first league encounter between the clubs took place at Burnden in October 1971. The Wanderers won 2-0 thanks to goals from Roy Greaves and Garry Jones inside the first half hour. This was a warm up for Bolton's memorable league cup success over Manchester City at Burnden three days later.

The Wanderers made their first visit to Field Mill in March 1972 when a goal from Bolton born Frank

Wignall settled the issue in Town's favour.

The only other league games between the Wanderers and Mansfield took place during season 1977/78 in the Second Division. The Wanderers completed the double with two goals in two minutes from loan striker Frank Worthington winning the game at Burnden, and a 25 yard strike from full back John Ritson deciding the result at Mansfield, in a game that saw Alan Gowling make his debut for Bolton.

At the end of that term Bolton won the Second Division Championship whilst Mansfield ended their first and only season in Division Two by being relegated.

In the FA Cup the Wanderers have won both ties between the sides which were played in 1978 and 1983, whilst Mansfield won a Freight Rover Northern semi final tie in 1985, all the cup games taking place at Burnden.

Our league record against Mansfield is as follows:

	Pt	W	D	L	F	A
Home	3	2	0	1	4	1
Away	3	1	1	1	3	3
Total	6	3	1	2	7	4

NATS DIARY

A REVIEW OF NATS INTERNATIONAL CAREER

U.S.A. 3 v ENGLAND 6

No. 16

Played on Tuesday, 9th June, 1953 in New York City.

There were shades of the infamous 1950 World Cup match between these two sides during the first half under the floodlights of the Yankee Stadium. England, always far superior in technique and skills, just could not find a way to goal and missed chance after chance.

It was not until two minutes from half-time that they finally broke the deadlock. Broadis was the man who finally scored, hooking home a pass from Finney.

The second-half saw a much more controlled and relaxed England performance. Within ten minutes of the restart they had stretched their lead to 3-0. Silly lapses in defence then allowed the U.S.A. back into things. At one point they fought back to a 4-3 scoreline but despite this there was never any doubting England's overall superiority.

Playing some superb football at times they scored almost as they pleased. Finney was much more direct in the second period and Lofthouse, at last, found his shooting

boots. Wright was always prominent and despite the occasional mistake the defence looked sound.

For the record England's second-half goals came from Finney (2), Lofthouse (2), and R. Froggatt. But for a fine display by goalkeeper Moore, England would have run up a cricket score.

The U.S.A. goals came from the lively substitute O. Dekker, who came on for the injured Schultz and promptly scored twice, and Atheneos who scored from the penalty spot in the 66th minute after a handball by Johnston.

So ended an eventful trip to the Americas.

TEAMS:

U.S.A.: Moore, Milne, Keough, Springthorpe, R. Dekker, Bahr, Schultz, Connolly, Atheneos, McLaughlan, Chachurian. Subs: O. Dekker for Schultz.

England: E. Ditchburn (Spurs), A. Ramsey (Spurs), W. Eckersley (Blackburn), W. Wright (Wolves) (Capt.), H. Johnston (Blackpool), J. Dickinson (Portsmouth), T. Finney (Preston), I. Broadis (Newcastle), N. Lofthouse (Bolton), R. Froggatt (Sheff. Wed.), J. Froggatt (Portsmouth)

WHERE ARE THEY NOW

ALAN GOWLING *Bolton Wanderers*

The researcher really had to shop around to trace the whereabouts of Alan Gowing. Enquiries sent us to the Rossendale Valley and Morcambe before pin pointing Alan in Cheshire.

He signed forms with Manchester United at 14 years of age and spent nine seasons at Old Trafford, half of which included first team involvement teaming up with the likes of Best, Charlton, Law and Crerand and made his debut at Stoke at 18. Looking for regular first team football he moved to Huddersfield who had just been relegated from Division One. Alan recalled, "Frank Worthy, and Trevor Cherry were just ready to leave but I spent 3.1/2 years at Leeds Road before joining Newcastle for £120,000", at St. James Park teamed up with Malcolm McDonald back on the First Division scene.

Whilst at Newcastle the F.A. Cup draw paired them with Bolton, a tie which really caught the imagination of the Bolton public. Come match day and 50,000 packed Burnden Park to witness an exciting televised 3-3 draw. The replay at Newcastle ended even and it was third time lucky for the Geordies at neutral Elland Road. Alan recalled, "Bolton at the time were on the edge of promotion and with hindsight those three games could have affected both clubs in so far that Newcastle were still

also involved in the League Cup which we lost against Manchester City and Bolton missed out on promotion as well."

But that particular game featured a memorable McDonald unstoppable volley. Alan said, "It was a great goal and Malcolm could produce that sort of goal but it had that slice of luck."

Twelve months later and Alan Gowing joined the Wanderers linking up with Frank Worthington and this proved to be Bolton's promotion year to the top flight.

It was whilst he was at Bolton that Alan was Chairman of the P.F.A. and he was one who recommended the transfer limit, but "the Clubs block it" he said, "because they thought the £1 million transfers were good for the game but I think we may have been proved right."

Upon retirement from the game Alan implemented some of his degree knowledge to Conquest Joinery to set up an import side to the business. He has since had spells with Norton and Wright lottery ticket printers and S.W. Taylor who are insurance brokers to the Football League. For the last 2 years Alan has been General Manager at Selden Research Ltd, a Buxton based chemical manufacturer and now resides in Whalley Bridge.

He concluded, "I've watched Bolton this season, a 5-0 win over Chesterfield."

Personality Profile.

MARK CAME

Today's Profile features injured captain *Mark Came*, who presently is working hard to regain full fitness after breaking his leg in the game against Chester back in September.

Mark was noted for his football at school level for as well as being captain of the school team he also played for Cheshire Schoolboys. Stoke City were his favourite team at this time and he could regularly be found down at the Victoria ground on Saturday afternoons.

On leaving school he stopped playing regularly even though he had trials with Stoke it didn't work out and it was only when he was in his early twenties that he started to play Sunday League football. North West Counties side Winsford United then moved in and tempted him into joining them and it was during a F.A. Trophy clash against Matlock Town that Walter Joyce, who had been on a scouting mission to look at Matlock's Wayne Biggins - now of course at Manchester City - took a shine to Mark and invited him to come and play two Reserve games for the Wanderers. John McGovern soon offered Mark terms but as he explains it was something of a risk, "At this time I had a good job and with the wife just having a child at first I was reluctant to come but the manager came in with an offer equal to my wage at work, so I of course took the chance."

At first he found the training hard to get used to. "The switch from a couple of nights to five days a week took a bit of getting used to" explained Mark, but after settling in well with the Reserve side he finally got his opportunity in a Milk Cup clash at Notts. County. Mark takes up the story, "What a debut, we were 6-0 down at half-time and even though we kept them out in the second-half we lost 6-1." He made his home debut the following Saturday against Lincoln and marked a certain John Fashanu, Mark and the Whites came out on top with a 1-0 victory.

Mark's highlights so far at the Wanderers have been promotion and reaching Wembley in the Freight Rover

Final which he states "was something special". He names Phil Neal and Mick Brown as the people who have helped him the most in football. He explains, "They have always encouraged me to play football and not just kick the ball upfield." When he was asked for his hardest opponent he names Tony Cascarino of Millwall, "Well he did break my nose", joked Mark. He rates the goal he scored against Torquay last season as the best he has scored; "I raced from half way and beat the goalie" replied Mark.

At present Mark is working-out daily under the supervision of physio Phil Stock who he has the greatest of respect for and also praises surgeon Mr. Banks for the tremendous efforts he has made in the recovery of Mark's leg. John Thomas also gets a mention for keeping him going in training and he also names his wife Denise, who has had probably the hardest task living with an injured footballer. He explains, "Denise and the lads Shaun, Paul and Mark have been superb putting up with all my hassles."

It is quite clear when you speak with a footballer like Mark, of the passion and enthusiasm of the game and it is Mark's desire to get back to full fitness and help the lads get promotion to Division 2 as quickly as possible. He has great admiration for the fans here at Burden, "the best in the business", he calls them and certainly everyone connected with the Wanderers are counting the days when we can say "Mark Came is back".
